

St Walburga's Catholic Primary School

Brave Progression Map

At St Walburga's Catholic Primary School, we teach our children to be brave and to stand up for their beliefs. Bravery means showing courage when faced with a difficult situation. We want our children to embrace the 'purposeful struggle', as this is when learning takes place.

Through Jesus' stories, we teach children bravery. There are many examples in the Bible of people being brave, including some of the people closest to Jesus, and Jesus himself when faced with the cross. Through these teachings, we nurture an environment where children feel confident to take risks in their learning and express their thoughts to help others, however challenging this may be.

We use Prayer Buddy Celebration of the Word time to highlight the value 'Brave', encouraging children to reflect on the teachings they have heard and consider how they can link this to their own lives and the lives of others.
