

St Walburga's Catholic Primary School

Honest Progression Map

At St Walburga's Catholic Primary School, we teach our children to show honesty, both in their learning and in their everyday behaviour. Honesty means telling the truth and being trustworthy in our words and actions, even when it is difficult. It involves owning up to mistakes rather than hiding them and it builds trust within friendships, helping others to feel safe and secure. In our learning, it is important to show honesty in ourselves, accepting when we need support or seeking challenge when appropriate.

Through Jesus' stories, we teach children to be honest. The Bible often encourages us to show honesty, even when we know we have done wrong. We are encouraged to seek forgiveness from God and know that He will always forgive us. We know that God sees what is in our hearts and can tell when we are being dishonest with ourselves and others.

We use Prayer Buddy Celebration of the Word time to highlight the value 'Honest', encouraging children to reflect on the teachings they have heard and consider how they can link this to their own lives and the lives of others.
